

Compaq recommends Windows Vista™ Home Premium

Style. Power. Pleasure. The Compaq Presario V6200 series Notebook PC delivers all these and more. The cleanly sculpted lines, scratch-resistant glossy coat and latch free screen mechanism all make this notebook a veritable style icon. Yet beneath its graceful exterior beats a powerful Intel® Core™ 2 Duo processor and Windows Vista™ operating system, letting you run multiple applications with ease. It even keeps you connected anywhere, with excellent wired and wireless networking capabilities. And with a 15.4-inch widescreen display, built-in Altec Lansing speakers, and Compaq DVDPlay, it balances work with pleasure perfectly. With the Compaq Presario V6200 series Notebook PC, mobile computing reaches yet another high point.

Compaq Presario V6200 series Notebook PC Accessories

HP xb3000 notebook expansion base
Enjoy the comfort of a desktop experience with the convenience of a notebook.

HP Notebook QuickDock
Stay connected to everything—power, peripherals, entertainment and Network—with a single cable*. Say hi to a cleaner and neater work area with the HP QuickDock that works right out of the box.

* When using a notebook that requires the Expansion Accessory adapter, the monitor must be connected directly to the notebook's VGA port.

HP 12-cell and 6-cell battery
Double your battery life and do more on the go. With the extended battery performance in your bag, you will always be prepared for anything.

Compaq Presario V6200 series Notebook PC

Stylishly mobile. Now with enhanced duo core performance.

COMPAQ

Do more and enjoy more

with the stylish and powerful Compaq Presario V6200.

Engineered to perform

Compaq recommends Windows Vista™ Home Premium

Dual omni-directional microphones
Get your message across in the clearest possible way with two omni-directional microphones. It offers outstanding recording clarity for VoIP applications, letting you communicate comfortably without raising your voice.

15.4" Widescreen display with optional HP BrightView technology
It's easy to get productive with the widescreen display performance. Keep multiple documents in view or enjoy the latest high definition content in their full splendour thanks to WXGA resolution of (1280 x 800). All delivered with bright vivid colours, and sharp details.

NEW with Windows Vista™!

Compaq DVDPlay
Watch DVD movies at a touch of a button in Windows. Compaq DVDPlay lets you access content from the harddisk and DVD drives.

5-in-1 memory card reader
There's no stopping you when it comes to sharing a photo. Whether your images are stored on Memory Stick®, Memory Stick PRO™, Secure Digital™, MultiMediaCard™ or xD-Picture Card™, you can view any photo – all thanks to Compaq Presario Notebook.

The convenience of Bluetooth (optional)
Backup your PDA. Use your phone's high-speed data connection. Connect an external mouse or keyboard. With the integrated Bluetooth connectivity, it all so simple, wireless and fast.

Intel® Core™ 2 Duo processor

Experience the most responsive computing experience yet. This new processor sports an enhanced 64-bit data channeling structure and with two execution cores. Run demanding business programs – while downloading content from the Internet or running virus-scanning security programs in the background. Intel® Core™ 2 Duo now does it faster, smoother and more efficiently, while providing compatibility with 64-bit enabled applications.

Get things done with Windows Vista™

Accomplish tasks faster, with a rich new interface and new ways to organize and find the information stored on your V6200.

Super fast wired or wireless networking

Equipped with 10/100 integrated LAN and built-in wireless networking support (choice of 802.11b/g or 802.11a/b/g). Wireless communication is fast and fully compatible with any network.

Designed for success

New inlaid moulding design

Thanks to a new moulding technique, you get a hard, glossy coat that protects the printed brushed metal design. This new inlaid moulding process keeps your notebook looking new for longer.

Control your media with Style

The backlit capacitive buttons are reminiscent of an airport runway at night – always there and ready for action. Simply touch the media button to call up your music, photos or movies.

Latch free screen

One simple arm movement is all you need to lift and place the screen into position. Nothing to unlatch or press, it simply is the quickest and smoothest way to start working on your Presario.

Listen in style – Altec Lansing speakers

Engineered to deliver crystal clear high notes as well as wholesome, rich bass tones, the integrated Altec Lansing speakers are an audio experience not to be missed.

Expansion base

The HP xb3000 notebook expansion base offers a comfortable home computing solution with its height-adjustable, eye-level viewing position, integrated speakers, support for wireless keyboard and mouse, integrated USB connectivity, as well as an expansion port for an optional harddisk.

Express card slot

With an integrated Express card slot, its easy to integrate highspeed mobile communication, networking, and even high fidelity entertainment options for your notebook. Now performance truly has no limits.
